Song 2 Tremble, O Earth

Psalm 114 – Beautiful poetic remembrance of the Exodus. The sea fled, Jordan turned back, mountains skipped — all creation trembled at the presence of the God of Jacob.

Tremble, O earth, before the Lord,
Tremble, O world, before the God of Jacob.

The sea saw it and fled,
The Jordan turned back in dread.

Israel became His holy nation,
Judah His sanctuary and possession.

When Israel came out of Egypt,
The house of Jacob from a foreign tongue.

Why do you skip like rams, O mountains?
Why leap like lambs, O little hills?

At the presence of the Lord the earth trembles,
At the presence of the God of Jacob.
He turned the rock into a pool of water,
The flint into a flowing fountain.
